Speaks With Parents: Ensure Your Kids Are Ready
to Use Your Family Wealth to Better Their
Own Lives and the World Around Us**

***Attention Moms and Dads: Will Your Kids Squander the Family
Wealth You're Working So Hard to Create?***

Most families **misunderstand the true nature of their wealth** and don't come close to preparing their children to receive that wealth and maximize it for future generations.

In this **unique presentation**, Personal Family Lawyer Alexis Martin Neely shares:

- ✓ **The meaning of Family Wealth** (it has very little to do with the size of your bank account!)
- ✓ **What the mega-rich know about Family Wealth** that you don't ... but should if you want your children to live meaningful, satisfying lives.
- ✓ How **you can ensure your children are prepared** to not only receive your Family Wealth, but to **maximize it for their children and grandchildren.**
- ✓ **Simple steps you can take right away** to inspire your (seemingly lazy and unmotivated) kids to make the most of your Family Wealth.
- ✓ How you can **protect your Family Wealth from being lost to divorce or lawsuit against your children.**
